

Flye or vision disturbances

Abdominal pain or cramps

Reduction in foetal movements

Nausea, vomiting and other flu-like symptoms

Regular contractions

Oedema swelling of hands or face

Backache or pelvic pressure

Leaking fluid from vagina

You are worried, concerned or just don't 'feel right'

"It's probably nothing, but it might be something"

Austprem BORN EARLY
is very proud to announce

National Premature Birth Awareness Week 24 - 30 November

BORN EARLY

Awareness. Research. Support.

Our aim is to increase awareness amongst ALL pregnant women of the signs and symptoms leading to premature birth.

Austprem BORN EARLY will raise money to fund research into the causes and prevention of premature birth.
