

F eye or vision disturbances **A**bdominal pain or cramps **R**eduction in foetal movements

Nausea, vomiting and other flu-like symptoms

Regular contractions

Oedema swelling of hands or face

Backache or pelvic pressure

BORN EARLY

Awareness. Research. Support.

Information for Event Organisers

Thank you for holding an event during National Premature Birth Awareness Week.

Photos

We would love to put photos of events up on our website so others can see, photos can be sent to info@bornearly.org.au. Please make sure you have the permission of those in the photos to send them to us for this purpose.

Donations

Any donations collected at your event can be deposited into our bank account using Paymate <https://www.paymate.com/PayMate/ExpressPayment?mid=austprem>, or you can make a cheque out to Austprem Inc. and post it to:

Austprem Inc.
P.O. Box 254
BRAESIDE VIC 3195

Please enter your details in the Order/Item Number field (of Paymate), or include them with your cheque so we know who the donation is from, and we can send a thank you.

Receipts

If anyone attending your event requires a receipt for their donation, please get their name, amount and email address (or regular address) details and send them to us at info@bornearly.org.au; a receipt will be forwarded to them.

Questions

If you or any of your attendees has any questions, please email us at info@bornearly.org.au

And a huge

THANK YOU

for your support
